Apdrošin ta ekspeditora civiltiesisk atbild ba, kas str d k starpnieks (bez p r vad t ja atbild bas) saska ar paragr fu 2 punktu B LAFF 2007 noteikumiem.
Transportl dzek i un mobil s tehnika: segum iek auti tikai mobil s tehnika (mazie traktori un l dz ga lauksaimniec bas, mezsaimniec bas tehnika, iz emot vieglas un kravas maš nas, mikroautobusi, furgoni, ce u b ves tehnika, cita lielgabara tehnika utt.).
Excluding liability for any losses incurred before the effective date of this policy.
All disputes arising between the Parties of the Contract shall be settled by mutual negotiations. Should the Parties fail to settle the dispute by means of negotiations, it shall be subject to court of the Republic of Latvia pursuant to the procedure provided for in the legislation of the Republic of Latvia.
The insurance is not valid in the Ukraine, Crimea, Sevastopol and in areas war is being led.
The Insurer shall not be liable for claims relating to persons (person) illegally crossing the border, asylum seekers (seeker), refugees (refugee) or persons (person) whom granted alternative status, being in the cargo compartment of the vehicle or in a container, regardless of whether the driver was aware about it or not.
Insured conf rms that professional transport and logistics operators (freight forwarders, road haulers, warehouse keepers, stevedores etc.) are employed for carriage and/or storage and/or handling of subject-matter insured. Insured have to verify that such Professional transport and logistics operators have appropriate liability insurance. It is agreed that the term „have to verify” means that Insured has to receive from its contractor the copy of liability insurance policy and/or certif cate and/or other copy of insurance conf rmation document. Insurer have the right to reduce or decline insurance indemnity, if employed contractor's insurance is not verif ed by the Insured, however Insurer have no right to reduce or decline insurance indemnity, if employed contractor's insurance is suspended or cancelled for any circumstances beyond the control of the Insured.
After policy expiration the insurance premium will be calculated based on total signed gross freight sum for whole agreement period. If calculated insurance premium is bigger than deposit premium sum, Policyholder should pay difference accordingly to Insurer's invoice sum and terms. If calculated insurance premium is smaller than deposit premium sum, the dif erence is not settled to Policyholder. Insurer has rights to check any time the information about Insured's signed gross freight sums. If particular gross freight sum is not shown in EUR, currency conversion to EUR should be done according to Latvian bank exchange rate on day, when Insured signs invoice for services done
Liability for used goods is insured only in the event of total loss or theft.
